

Career Development

We can help you at any point in your life to make choices about your career and training options.

Our services are offered face to face, online or over the phone. Whether you are just starting your career, re-entering the workforce, looking for a career change or still at school, our trained and experienced staff can assist you.

Let us assist you to develop a customised career plan to maximise your opportunities

We provide:

- One on one career guidance
- Information on training courses
- Referrals to training providers and other services
- Access to online career development resources
- Workshops that improve your skills and assist you in looking for work
- Free computer access for job search activities
- Specialist services and training funding for the over 40's (conditions apply)

Career services to schools:

We can work with teachers and students to develop:

- Personalised career guidance
- Career planning and pathway plans
- Online research skills
- Job search skills and techniques
- Applying for jobs, apprenticeships and traineeships
- Skills addressing selection criteria
- Preparing resumes, interview techniques and self marketing skills
- Work experience preparation

Directions - offering opportunities and advice:

- Apprenticeships and traineeships
- Training
- Virtual Enterprise (learn in a simulated workplace environment)
- Career Development
