

School Based Traineeships

The program focuses on student choices on a career path allowing them to gain an accredited qualification, while getting real work experience and earning a training wage.

The students work towards nationally recognised vocational qualifications. Directions provides the formal training required for students to complete a qualification while continuing to be enrolled at school.

Directions will assist with the following:

- OHS inductions
- Regular monitoring of the student
- Liaison between school, student, parents and the workplace

Some of the Traineeships on offer include:

- Community Recreation
- Library and Information Services
- Multimedia
